

WHAT WILL HAPPEN TO THE MONEY?

There is only one answer to this and that is what will actually happen with the money. It's all about the money. So if you think it's because of this or that, that is not the reason, it's the money. Everything is about the money trail. People watch and learn and I will remain (solo) as long as it's about the money. So how much money do you have at age 40, 50, 60, 65.

Let's wait and see.
